Education

SRM Institute of Science and Technology, Kattankulathur	**2023 - Present**
B.Tech in Computer Science and Engineering	CGPA: 9.33
Kendriya Vidyalaya No. 2, Kanpur	**2022 - 2023**
Intermediate - (CBSE)	Aggregate: 83.40
Kendriya Vidyalaya No. 2, Kanpur	**2020 - 2021**
High School - (CBSE)	Aggregate: 87.20

Technical Skills

Languages: C, C++, Python

Technologies/Database: HTML, CSS, SQL

Software & Tools: VS Code, SDLC

Core: Database Management System(DBMS), Operating Systems(OS), Data Structures Algorithm(DSA), Object Oriented Programming(OOPs),

Projects

Mind Quest Learning | HTML, CSS, Javascript, React.js, JDBC, MySQL   **07/2024 - 10/2024**

- Collaborated with a **4-member team** to develop a **course-selling website** with Home, Login, and Register pages.
- Implemented **search and explore functionality** for easy course discovery, featuring courses that are available for free.
- Designed a **clean, intuitive user interface** to improve user experience and accessibility.
- Utilized **React.js** for the frontend and Java with **JDBC** for the backend, connected to a **MySQL database** for managing course information and user data.

Coding Profile

LeetCode

- Consistently ranked within the **top 40% of users**, demonstrating expertise in solving **data structures and algorithms (350+ questions solved)**.

CodeChef

- Achieved **2-star coder** status in CodeChef (Div 3), ranking within the **top 30% of participants**.
- Secured **highest rating 1547** in CodeChef contests, demonstrating **strong competitive programming skills.**

HackerRank

- **5-star badge** on HackerRank, highlighting **proficiency in Data Structures.**
- Reached under **50K rank** in the HackerRank platform.
